Overall Consumer Rating. The Denali rides much better and is more luxurious. Performance is about the same, the SS accelerating a little harder, but I attribute that to a 4. The Denali on the other hand is getting better gas mileage than the SS. NAV and Stereo are easy to use, with great sound from the speakers. So far no complaints! Read more. Read less. Sign Up. Get the job done right, with the security, performance, and comfort that only come from the Sierra Don't delay Print this page and call us Now My Son bought a car today and this lot shines above all others. They made it a pleasure and it was my sons 1st car purchase, they explained the paperwork mad sure he knew what he was getting in to terms and conditions of the loan. I am happy to say I have been buying cars for 30years and this experience shined above all others. You can contact us at , visit our website at Check the dates on these reviews. All of them are super old. I'd put a Hamilton on them taking down bad reviews. Used their online calculator to find a price for a lease. Got the deal sent to my email. Went in and they instantly knew that they weren't going to do the deal. So long story short it was just a scam to get us in the door. They were also in the process of scamming the person next to us which was pretty obnoxious. The manager changed the website so that the lease calculator put the price of the lease to be HIGHER than the total cost of the car What a joke. See carmax. At CarMax, finding the right car is easy. You can shop online, get pre-approved for financing, and receive a trade-in offer all from the comfort of home. See store for details. Some fees are location specific and may change if you transfer this vehicle to a different CarMax store. Certain vehicles may have unrepaired safety recalls. Check nhtsa.
